## Welcome

*“First and foremost, thank you for choosing Casa Pepe.*

*This Restaurant/Bar has now been established since 1997. After all these years I think I have created a warm place where people can relax, enjoy good quality food and drink, never be rushed and not worry about hidden extras. With Casa Pepe I have put these principles into practice. So enjoy your meal and I hope that you not only become regular customers but also friends. I would be happy if you read this at least 52 times a year!*

*Thank you for your time.*

*Best wishes and bon appetite.”*
